Summer 2019 update

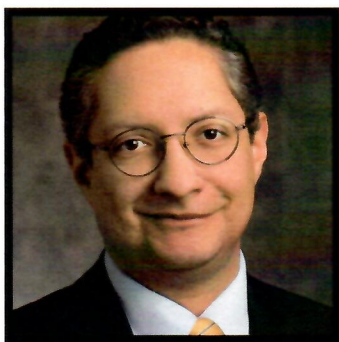

After five years of serving the Catholic Schools with the help of Ignite the Faith, our efforts to impact the Catholic Schools will continue under a new organization, the newly formed Evangelium Institute.

What has not changed:

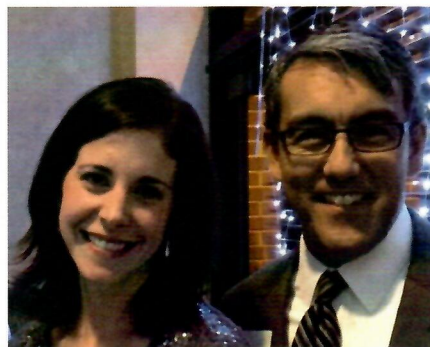

- Formation and evangelization of Archdiocesan Catholic school Principals and teachers
- Providing conversion experiences on Pilgrimages
- Teacher retreats
- Small group evangelization
- One-on-one discipleship
- Teaching in the Permanent Diaconate program of formation
- Parish faith formation
- Working intimately with the Catholic Schools Office and the Office of Evangelization

What's new:

- Local board of directors for this new non-profit
- Greater emphasis on local needs of the Archdiocese of Omaha
- More local control of areas of ministry
- Streamlined budget with diversified funding and greater local investment
