

## Reflection Questions During Adoration

Take 10 minutes of quiet reflection, then prayerfully consider these questions:

- What does the Father have to say to you as a teacher?
  
- What does Jesus have to say to you as a teacher?
  
- What does the Holy Spirit have to say to you as a teacher?

-Pause-

- What does the Father have to say to you as a child of God living in this day, at this time?
  
- What does the Father have to say to you just as you are in this moment?
